Park passions

Preserving our green spaces, enjoying nature in the wetlands, woods and our parks. As a mum, I'm passionate about providing opportunities for families and children to be outdoors in the park. And I like meeting people!

Day to day role and what it involves.

As the Treasurer, it's my job to keep track of budgets and spending for activities the Friends group organise, to ensure we are maximising the resource we have to meet our strategic objective which is to improve the use of the Park through events, advocacy and environment improvement.

Something people may not know about you, or that's interesting.

I'm really interested in family history, genealogy and am involved in archiving and exhibition projects.
