

Name

Flora Halvey

Role with the FoHMP

Committee member - canine representative, organising dog meets, making events more dog inclusive, addressing issues & improving communications between park users.

Role(s) outside of FoHMP

Assistant dog to my owner, teacher, spreading awareness of assistant dogs UK at various events and businesses. Volunteer for many charities. There are 10 types of assistant dogs, check out assistantdogs.org.uk for more information, or chat to me when you see me at the park.

Park passions.

I particularly enjoy visiting the Moat Café for tasty dog biscuits and refreshments they provide. I help my owner with keeping the park clean for all humans and animals to enjoy. I love outdoor learning, exercise classes and all the fun activities, which help bring the community together. Playing with dogs, meeting their owners and park users. Enjoying and preserving the nature and wildlife that visit our park.

Day to day role and what it involves.

Co-ordinating with dog owners on our WhatsApp group on how we can jointly improve the park and improve communications between park users, addressing any concerns. Raising awareness about dogs by arranging dog meets to use the dog agility kindly donated. Everyone is welcome to join, even if you don't have a dog, more details are on our website or on the café notice board – Holding more events for dogs, informing people how to approach animals and the care for our shared environment.

Something people may not know about you, or that's interesting.

I once found a young Goldcrest bird on the grass and let my owner know so it could be rescued. I have also been on Television a few times.
