

5<sup>th</sup> August 2020

**Headstone Manor Park  
HA2**

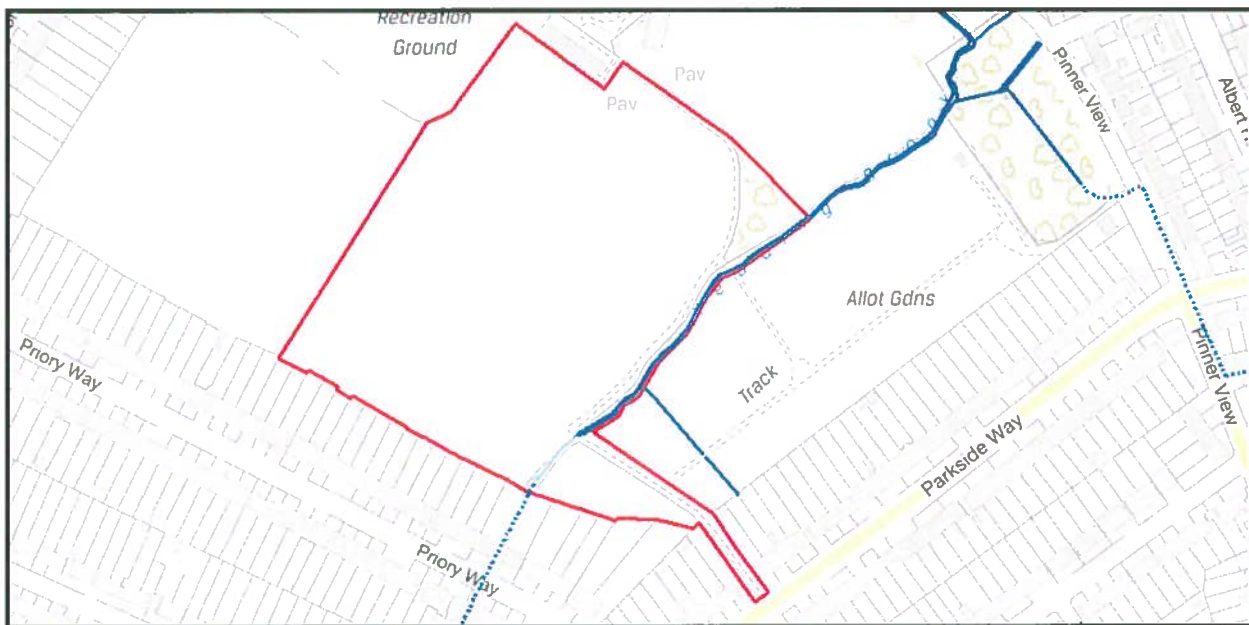

Dear Resident and Park Users

**Re: Headstone Manor Park Flood Alleviation Scheme**

Further to previous consultation and notification about the project I am writing to inform you that the delivery phase to construct the flood alleviation scheme will begin w/c 10<sup>th</sup> August 2020.

The program for the project will be 12-14 weeks and the entrance and area marked below will be closed to the public for that duration.

The initial work will be to move equipment and materials onto site via the Parkside Way entrance and also to use this entrance as an exit to remove excavated material with strict controls in place to protect pedestrians and local traffic.

We will only work between 8:00am and 4:30pm and will make every effort to minimise any inconvenience, noise and dust caused to you whilst the work is in progress but if you do need to contact us you can email [infrastructure@harrow.gov.uk](mailto:infrastructure@harrow.gov.uk) or by phone on 020 8424 1586.
